Plan Working

Step 1: Choose the premium you want to pay

Step 2: Choose the sum assured multiplier to decide your life cover¹

Step 3: Choose your policy term and premium payment term

Step 4: Choose the premium payment frequency

Step 5: Choose between the two portfolio strategies

Step 6: Choose the riders

Note:

¹Applicable as per the minimum/maximum sum assured criteria. Please refer to the Eligibility Parameters.

BENEFITS PAYABLE

Maturity Benefit

Fund Value will be payable on the survival of the life assured to the maturity date, provided the policy is in force.

Death Benefit

If all due premiums are paid, then, in case of unfortunate death of the life assured during the policy term, the death benefit payable will be, higher of:

Higher of (Prevailing Sum assured² or Regular Premium Fund Value) Plus

Higher of (Top up Sum Assured or Top up Premium Fund Value)

The death benefit is subject to the Guaranteed Death Benefit of 105% of the total premiums paid, till the date of death. If the rider Waiver of Premium (WOP) has been taken under the policy and the WOP benefit has already been triggered under the policy, then, on termination of policy the present value of future WOP installments, discounted at 4% p.a., shall be payable.

The policy will terminate on the date of intimation of death of the life assured. All the above is paid as on date of receipt of intimation of death at the Insurance Company's office.

²Sum Assured shall be reduced to the extent of the partial withdrawals (non-systematic and systematic) made from the regular premium fund value during the two (2) year period immediately preceding the death of the life assured. Any partial withdrawal made from the Top up Premium Fund shall not be deducted for this purpose.

Loyalty Additions

Loyalty Additions will be added to the Regular Premium Fund Value, as a percentage of the average of the daily regular premium fund values during previous 3 years (including current year) at the end of every 5 policy year starting from the end of 15th policy year, provided all due regular premiums have been paid up to date.

The Loyalty Additions are as below:

Annualized Premium	Premium < 2.4 Lakh	2.4 Lakh <= Premium < 5 Lakh	Premium >= 5Lakh
Percentage	1%	1%	1%

- 1) Amount of Loyalty Additions will be allocated in funds in the same proportion of the Regular premium Fund Value as at the date of addition. Unit Prices as on the date of Loyalty addition will be used for the unitisation.
- 2) There will not be any Loyalty Additions for Top-up premium paid.
- 3) Loyalty Additions will not be paid for a Discontinued/ Paid-up policy

Return of Mortality Charges (ROMC)

At the end of the Policy term (i.e on the maturity date) or end of 15th policy year whichever is later, the total amount of Mortality charges deducted in respect of Life cover provided throughout the Policy term, will be added back as ROMC, to the Regular Premium Fund Value. ROMC is not applicable in case of a Surrendered, Discontinued or Paid-up Policy and will be payable provided all due Regular Premiums under the Policy have been paid up to date.

Note:

- 1) Amount of Mortality charge will be allocated to the Fund(s) in the same proportion of the Fund Value as on the maturity date. Unit Price as on the date of ROMC addition will be used for the unitisation.
- 2) ROMC will be excluding any extra Mortality charge & or Goods & Service Tax/any other applicable tax levied on the Mortality charge deducted, subject to changes in tax laws.

Family Benefit

If any of your family member is an existing policyholder of Bajaj Allianz Life Insurance Company Limited, you will be entitled to a family benefit.

- The benefit will be added into the regular premium fund value as a percentage of the average of your previous three years daily regular premium fund value
- The percentage of family benefit will depend upon the policy term opted by you:

Policy Term	%age family benefit
<20 years	0.5%
>=20 years	1%

- There will not be any family benefit for Top-up premiums paid.
- The amount of Family Benefit will be allocated in the funds in the same proportion of the fund values as at the date of addition. Unit Prices as on the date of Family Benefit addition will be used for the unitization.
- No Family Benefit will be available on the discontinuance or paid-up of the policy
- Family member shall mean spouse, children, brothers, sisters, grandchildren, parents, parents in-laws; and will be available to family members of existing customers including who have matured policies

Additional Rider Benefits

1. Bajaj Allianz Life Linked Accident Protection Rider II

UIN: 116A057V01

Please refer to respective rider sales literature or visit the Insurance Company's website or consult your 'Insurance Consultant' for more details and eligibility conditions

Surrender Value/ Discontinuance

You have the option to surrender your policy at any time.

- On surrender during the lock-in period, the Regular Premium Fund Value less the discontinuance/ surrender charge, Plus the Top Up premium fund value if any, as on the date of surrender, will be transferred to the Discontinued Life Policy fund (maintained by the Insurance Company), and the risk cover under the policy shall cease. You will not have the option to revive such a surrendered policy. The discontinuance/surrender charge will be applicable only to the Regular Premium Fund Value. The discontinuance value as at the end of the lock-in period will be paid to you as surrender benefit.
- On surrender after the lock-in period, the surrender benefit available will be the Fund Value, as on the date of surrender and will be paid immediately.
- If Waiver of Premium (WOP) rider is opted and it has already been triggered under the policy, then, on termination of policy, the present value of future waiver of premium installments, discounted at 4% p.a., shall be paid.
- The policy shall thereafter terminate upon payment of the full surrender value by the company.

⁴The maximum investment in mutual funds shall be governed by the relevant IRDAI guidelines.

⁵Please note that the fund aims to replicate the performance of benchmark index, subject to tracking error.

- You can choose one or more investment funds within the Investor selectable Portfolio Strategy.
- You have the option to switch units from one fund to another, by giving written notice to the Insurance company.
- You can switch out of this Portfolio Strategy at any policy anniversary by giving a written notice to the Insurance Company 30 days in advance.
- After taking prior approval from IRDAI, the Company may carry out addition, closure, or merger of the Funds available under this Policy. "Liquid Fund" will be the default fund in case of closure or modification of any fund in future.

b) Wheel of Life Portfolio Strategy:

- This provides you with a "Years to maturity" based portfolio management.
- You can opt for this Portfolio Strategy at the commencement of the policy or can switch to this Portfolio Strategy at any subsequent policy anniversary by giving a written notice to the Insurance Company 30 days in advance.
- If this Portfolio Strategy is opted, your regular premium and the top up premium, if any, would be allocated in the Funds mentioned (namely Bluechip Equity Fund, Equity Growth Fund II, Accelerator Mid-Cap Fund II, Bond Fund & Liquid Fund) in the proportion as mentioned in the table below, depending on the outstanding years to maturity.
- All allocation & de-allocations of units shall be based on the prevailing unit price.
- If you have switched to this Portfolio Strategy at any subsequent Policy Anniversary: The company will reallocate the regular premium fund value and Top Up premium fund value, if any, among various funds in the proportion mentioned in the table below depending on the outstanding years to maturity of the policy.
- The regular premium and top up premium, if any, paid in that particular policy year will also be allocated in the same proportion.
- This will ensure that a balance is maintained between your "years to maturity" and level of risk on your investments, to optimize the returns
- The proportion of allocation/reallocation of your Regular Premium / Fund Value into various funds based on your outstanding years to maturity will be as follows:

Years to Maturity	Proportion in following three Funds (%)				Bond Fund	Liquid Fund
	Bluechip Equity Fund	Equity Growth Fund II	Accelerator Mid-Cap Fund II	Total

- You will not have the option to switch units or change the apportionment of premium to various funds, under this portfolio strategy.
- You can switch out of this portfolio strategy at any policy anniversary by giving a written notice to the Company 30 days in advance.
- In case of partial withdrawal, the withdrawal of units from each fund will be done in the same proportion as the value of the Units held in that Fund as on date of withdrawal. You will not have any choice to opt the fund from which the partial withdrawal of units is to be done.

Option to Switch Between Funds - (Only under the Investor Selectable Portfolio Strategy)

- You have the flexibility to switch units between your investment funds according to your risk appetite and investment decisions, by giving written notice to the Insurance Company
- You can make unlimited free switches
- The minimum switching amount is Rs. 5,000 or the value of units in the fund to be switched from, whichever is lower
- If the policyholder has chosen Wheel of Life Portfolio Strategy, then no switching between the funds is not allowed
- The Insurance Company shall effect the switch by redeeming units from the fund to be switched from and allocating new units in the fund being switched to at their respective unit price

Premium Apportionment - Only under the Investor Selectable Portfolio Strategy

- Under the Investor Selectable Portfolio Strategy, you can choose to invest fully in any one fund or allocate your regular premium and top up premium into the various funds in a proportion that suits your investment needs. The premium apportionment to any fund must be at least 5% of the premium
- You may, at any time, change the proportion of regular premium and top up premium to the funds you wish to pay
- Miscellaneous charge, as mentioned in the Table of Charges given below, will be applicable for change in premium apportionment
- The Insurance Company will reserve the right to revise the minimum apportionment percentages upon giving written notice of not less than three months, subject to obtaining clearance from the IRDAI
- Under the Wheel of Life Portfolio Strategy, you will not have the option to choose the proportion. The apportionment of the allocated regular premium and top up premium will be as per the Wheel of Life Portfolio Strategy table

Option to Change Portfolio Strategy

- You may, at any policy anniversary, change from Investor Selectable Portfolio Strategy to Wheel of Life Portfolio Strategy and vice-versa by giving a 30 day prior written notice
- On switching out of the Wheel of Life Portfolio Strategy to the Investor Selectable Portfolio Strategy, the existing funds and the new premiums paid will be allocated in to the funds of your choice
- On switching out of the Investor Selectable Portfolio Strategy to the Wheel of Life Portfolio Strategy, the existing funds and the new premiums paid will be allocated as per the "Years to maturity" based on the Wheel of Life portfolio Strategy mentioned above under the header "Investments".
- Miscellaneous charge as mentioned in the Table of Charges will be applicable

Option to reduce the Regular/Limited Premium

- You will have the option to reduce the prevailing Regular Premium under the Policy after the first five (5) Policy Years.
- The reduction of the Regular Premium can be up to 50% of the Regular Premium payable at the inception of the Policy subject to minimum Annual premium as mentioned above
- Once reduced, the same cannot be increased, even to the Regular Premium at inception of the Policy.
- On receipt of the reduced premium the prevailing Sum Assured under the Policy will be correspondingly reduced such that the sum assured multiplier before reduction of premium is the same as after reduction of premium

- On reduction of the prevailing Sum Assured, if the Rider(s) Sum Assured is lower than the prevailing Sum Assured, then Rider(s) Sum Assured will be revised to the level of prevailing Sum Assured, subject to minimum rider Sum Assured allowed under respective rider.
- Miscellaneous Charge, as mentioned in the Table of Charges given below, will be applicable for this option

Option to change the premium payment term (PPT)

- You have an option to change the premium payment term
- The change in premium payment term will be applicable only after a period of 5 years
- The increase or decrease in PPT is subject to the premium payment term and policy term combination available under the plan. The option must be exercised before the expiry of the prevailing premium payment term.
- The option to change PPT can be exercised provided all due premiums have been paid till date
- The change will be subject to the prevailing Board Approved Underwriting Policy (BAUP).

Option to Change Premium Payment Frequency

You can opt to change your prevailing regular/limited premium payment frequency at any policy anniversary, to the other frequency (i.e., yearly, half yearly, quarterly or monthly) as long as the existing and requested frequencies can be aligned and subject to minimum premium under the plan on the date of receipt of such request.

The premium payment frequency factors are as given in the table:

Mode	Yearly	Half Yearly	Quarterly	Monthly
Premium Frequency Factor	1	1/2	1/4	1/12

Miscellaneous charge, as mentioned in the Table of Charges, will be applicable for this alteration. This shall be levied by cancellation of units at the unit price as on the due day.

Option to Pay Top Up Premium

- You can make lump sum savings any time during the policy term except during the last five policy years, by paying Top up premiums, over and above the regular / limited premiums payable, provided all due premiums have been paid to date.
- Top up premiums would be treated as a single premium
- The minimum Top up premium is Rs. 5,000 subject always to the company's right to increase this minimum payable from time to time subject to approval from the IRDAI.
- The amount of Top up premium paid by you would determine your Top up Sum Assured on your life.
- Each Top up premium paid by you will have a lock-in period of 5 years, except in case of complete surrender of policy, and the lock-in would apply from the date of payment of each Top up premium
- The Insurance Company reserves the right to disallow a Top up premium based on the Board approved underwriting guidelines

Partial Withdrawal (Non-Systematic)

You have the option to make partial withdrawals, any time after the fifth policy year, subject to the following conditions:

- On partial withdrawals, eligible Top Up Units (if any) would be en-cashed first on First in First out (FIFO) basis before allowing partial withdrawals from the Regular Premium Fund Value. For the purpose of partial withdrawals, each payment of Top Up premium, if any shall have a lock-in period of five (5) years, from the date of payment of each Top Up premium.
- The regular premium fund value should not fall below two (2) times of the Annualized premium, after a partial withdrawal.
- The minimum amount of withdrawal at any one time is Rs. 5,000/-.

Non-Payment of Premiums

- a) On Discontinuance of regular premiums due during the first five (5) policy years, the policy will be converted immediately & automatically to a discontinued life policy (without any risk cover, Guaranteed Death Benefit, Loyalty Addition, Return of Mortality Charge) at the end of the grace period, and the regular premium fund value less the discontinuance/surrender charge along with top up premium fund value, if any, will be transferred to the discontinued life policy fund.
- i) A notice will be sent by the Insurance company to you within three (3) months from the date of first unpaid premium, informing you of the status of the policy and requesting to revive the policy or, communicate to the company agreeing to revive the policy within the revival period of three (3) years from the date of first unpaid premium, by paying all due regular premiums.
 - ii) If you have opted to revive the policy but have not revived the policy within the revival period, then immediately & automatically, the discontinuance value shall be payable as the surrender value at the end of lock-in period of five (5) policy years or at the end of the revival period, whichever is later.
 - iii) If no communication is received from you with respect to the revival of the policy, the discontinuance value shall be payable as the surrender value immediately & automatically at the end of lock-in period of five (5) policy years.
 - iv) At any time you have the option to completely withdraw from the policy without any risk cover, Guaranteed Death Benefit, Loyalty Addition, Return of mortality charge and receive the discontinuance value (as surrender value) at the end of the lock-in period of five (5) policy years or the date of surrender, whichever is later.
- b) On Discontinuance of regular premiums due after the lock-in period of five (5) policy years, the policy will be, immediately & automatically, converted to a paid-up policy at the end of the grace period, with risk cover under the base policy to the extent of the paid-up sum assured and Guaranteed Benefit and without any Loyalty Addition, Return of mortality charge. The paid-up sum assured will be the prevailing sum assured in the policy multiplied by the proportion of the number of Regular Premiums paid to the number of Regular Premiums payable in the policy. All charges as per the terms & conditions of the policy will be deducted.
- i) A notice will be sent by the Insurance company to you within three (3) months from the date of first unpaid premium, informing you of the status of the policy and requesting you to exercise one of the options mentioned below.
 - (1) Option A: Revive the policy or, communicate to the company agreeing to revive the policy within the revival period of three (3) years from the date of first unpaid premium, by paying all due regular premiums, OR
 - (2) Option B: Completely withdraw from the policy without any risk cover and receive the surrender value under the policy as on the date of receipt of such intimation.
 - ii) If you have chosen the Option A above but have not revived the policy during the revival period, or the Insurance company does not receive any communication from you, the policy shall be treated as a paid-up policy, as mentioned in section b) above. At the end of the revival period, if the policy has not been revived, the surrender value under the policy as at the end of the revival period will be payable to you, immediately & automatically.
 - iii) If you decide to surrender the policy as per Option 2 above, the surrender value under the policy as on the date of receipt of such intimation, will be payable to you.
- c) Notwithstanding anything mentioned above, on the death of the life assured,
- i) If the policy is discontinued as per sub-section a) above, the discontinuance value as on the date of receipt of intimation at the Insurance Company's office, shall be payable as death benefit, and, then, the Policy will terminate.
 - ii) If the policy is discontinued as per sub-section b) above, the higher of the [paid up sum assured or regular premium fund value] plus higher of the [top up sum assured or top up premium fund value], if any, subject to a minimum of the Guaranteed Death Benefit, all, as on the date of receipt of intimation, shall be payable as death benefit, and, then, the Policy will terminate.

Revival

A policy which has been discontinued due to non-payment of premiums can only be revived subject to following conditions:

- a. The Insurance Company receives the request for revival from you within 3 years from the date of first unpaid premium provided the policy is not terminated already
- b. You submit such information and documentation as may be requested by the Insurance Company at your own expense.
- c. The policy may be revived on the original policy terms & conditions, revised terms & conditions or disallowed revival, based on Board approved underwriting guidelines.
- d. On revival of the discontinued policy,
 - The policy will be revived restoring the risk cover, rider cover, Guaranteed Death Benefit, Loyalty Addition and Return of mortality charges.
 - All the due but unpaid premiums will be collected from you without charging any interest or fee.
 - The Discontinuance Value of the policy together with the amount of discontinuance/ surrender charge (without any interest) as deducted by the Insurance Company on the date of discontinuance of the policy, shall be restored to the chosen fund split into to the applicable Fund/s available as on the date of discontinuance, at their prevailing unit price
 - The Premium Allocation Charge and Policy Administration Charge, as applicable, during the discontinuance period shall be deducted as applicable from regular premiums paid or from the fund at the time of revival.
 - The Loyalty Additions due-but-not-allotted during the period the Policy was in Discontinuance shall be added to the Regular Premium Fund Value.

Computation of Unit Price

The Unit Price of the fund shall be computed as the market value of the existing investment held in the fund plus value of current assets less value of current liabilities and provisions, if any, divided by the number of units existing on the valuation date. This calculation will be done before creation/redemption of units.

Force Ma'jure

- a) As per IRDAI (Insurance Product) Regulation 2024, Schedule I, Clause 2, Section A, Sub-Section v, the company will declare a 'Single' Unit Price or Net Asset Value (NAV) for each segregated fund on a day-to-day basis.
- b) The company specifies that, in the event of certain force majeure conditions, the declaration of Unit Price or NAV on a day-to-day basis may be deferred and could include other actions as a part of investment strategy (e.g. taking exposure of any Segregated Fund (SFIN^{###}) up to 100% in Money Market Instruments [as defined under Regulations 1(8) of the IRDAI (Actuarial, Finance and Investment) Regulations, 2024]
- c) The Insurance Company shall value the Funds (SFIN) on each day for which the financial markets are open. However, the Insurance Company may value the SFIN less frequently in extreme circumstances external to the Insurance Company i.e. in force majeure events, where the value of the assets is too uncertain. In such circumstances, the Insurance Company may defer the valuation of assets for up to 30 days until the Insurance Company is certain that the valuation of SFIN can be resumed.
- d) The Insurance Company shall inform IRDAI of such deferment in the valuation of assets. During the continuance of the force majeure events, all request for servicing the Policy including Policy related payment shall be kept in abeyance.
- e) The Insurance Company shall continue to invest as per the fund mandates. However, the Insurance Company shall reserve its right to change the exposure of all or any part of the Fund to Money Market Instruments [as defined under Regulations 1(8) of the IRDAI (Actuarial, Finance and Investment Functions of Insurers) Regulations, 2024] in circumstances mentioned under points (a and b) above. The exposure to of the fund as per the fund mandates shall be reinstated within reasonable timelines once the force majeure situation ends.
- f) Some examples of such circumstances [in Sub-Section a) & Sub-Section b) above] are:
 - i) When one or more stock exchanges which provide a basis for valuation of the assets of the Fund are closed otherwise than for ordinary holidays.

- ii) When, as a result of political, economic, monetary or any circumstances out of the control of the Insurance Company, the disposal of the assets of the Fund are not reasonable or would not reasonably be practicable without being detrimental to the interests of the continuing Policyholders.
- iii) In the event of natural calamities, strikes, war, civil unrest, riots and bandhs.
- iv) In the event of any force majeure or disaster that affects the normal functioning of the Insurance Company.
- g) In such an event, an intimation of such force majeure event shall be uploaded on the Insurance Company's website for information.

In case of death of the life assured due to suicide within 12 months from the date of commencement of the policy or from the date of revival of the policy, whichever is later, the nominee or beneficiary of the policyholder shall be entitled to fund value, as available on the date of intimation of death. Any charges other than FMC or guarantee charge recovered subsequent to the date of death shall be added to the fund value as at the date of intimation of death.

There is no other exclusion applicable with respect to death benefit other than suicide clause.

Definitions

- a. **Fund Value:** means sum total of the Regular Premium Fund Value and the Top up Premium Fund Value, if any
- b. **Regular Premium Fund Value:** Regular Premium Fund Value is equal to the total units in respect of regular/limited premiums paid under this policy multiplied by the respective unit price on the relevant valuation date
- c. **Top-up Premium Fund Value:** Top up Premium Fund Value is equal to the total Units in respect of Top-up premium under this policy multiplied by the respective unit price on the relevant valuation date.
- d. **Paid-up Sum Assured:** Paid-up Sum Assured means a proportion of the prevailing Sum Assured⁴, where the proportion is the ratio of the total number of Regular Premiums paid to the total number of Regular Premiums payable under the Policy
- e. **Unit Price:** Market value of investment held by the fund plus value of current assets less value of current liabilities and provisions, if any, divided by number of units existing on Valuation Date. This calculation will be done before creation / redemption of units.
- f. **Discontinued Life Policy Fund:** means a segregated fund, constituted by the Fund Value of all the Discontinued Life Policies, and is maintained by the Company, if any, in accordance with the "IRDAI (Unit Linked Insurance Products) Regulations, 2024" and any subsequent modification made therein by the IRDAI.

Discontinued Life Policy Fund: Risk Profile – Low SFIN: ULIF07026/03/13DISCONLIFE116

On the date of discontinuance/surrender of the policy before the lock-in period of 5 policy years, the Fund Value less the discontinuance/ surrender charge as on the date of discontinuance/ surrender of the policy shall be moved to the Discontinued Life Policy Fund. The portfolio allocation of the fund is as given below.

Portfolio Allocation:

Money market instruments	0% to 40%
Government securities	60% - 100%

g. Discontinuance Value:

1. The Discontinuance Value of the policy will be higher of:
 - a) The Fund Value less the discontinuance/surrender, as on date of discontinuance/surrender accumulated at the rate of return earned on the Discontinued Life Policy Fund net of fund management charge
 - b) The Fund Value less the discontinuance/surrender charge, as on date of discontinuance/surrender accumulated at the guaranteed rates of investment return net of fund management charge. The current guaranteed rate of investment return is 4% p.a.
2. The current cap on Fund Management Charge on the Discontinued Life Policy Fund is 0.50% per annum, as per the "IRDAI (Insurance Products) Regulations, 2024".

3. The FMC and the guaranteed rate of investment return as mentioned above, for the calculation of the discontinuance value may change from time to time as per the IRDAI guidelines.

h. Valuation Date: We aim to value the funds on each day the financial markets are open. However, we may value the funds less frequently in extreme circumstances, where the values of assets are too uncertain. In such circumstances, we may defer the valuation of assets for up to 30 days until we feel that certainty as to the value of assets is resumed. The deferment of valuation of assets will be with prior consultation with the IRDAI.
