Benefits Payable Under “Wealth Plus” & “Wealth Plus Care” Variants

Surrender

You have the option to surrender your policy at any time.

I. On surrender during the lock-in period of first 5 years of your policy, the Fund Value less the discontinuance/ surrender charge, as on the date of surrender, will be transferred to the Discontinued Life Policy fund (maintained by the Company), and the risk cover under the policy shall cease. You will not have the option to revive such a surrendered policy. The discontinuance value as at the end of the lock-in period will be paid to you as surrender benefit. The discontinuance/surrender charge will be applicable only to the Regular Premium Fund Value.

ii. On surrender after the lock-in period of first 5 policy years, the surrender benefit available will be the Fund Value, as on the date of surrender and will be paid immediately.

iii. Under the “Wealth Plus” variant, if waiver of premium is opted and has already been triggered under the policy, then, on termination of policy, the present value of future waiver of premium installments, discounted at 4% p.a., shall be paid.

Loyalty Additions

1) The Company shall allocate Loyalty Additions to the Regular Premium Fund Value as percentage of one Annualized Premium at the end of every 5th policy year starting from the 10th policy year, provided all due regular premiums have been paid up to date. The Loyalty Additions are below:

<table>
<thead>
<tr>
<th>At the end of Policy Year</th>
<th>Loyalty Additions (% of one Annualized Premium)</th>
</tr>
</thead>
<tbody>
<tr>
<td>10</td>
<td>15%</td>

<td>20%</td>
</tr>
<tr>
<td>20</td>
<td>25%</td>
</tr>
<tr>
<td>25</td>
<td>30%</td>
</tr>
</tbody>
</table>

Loyalty Addition is based on Prevailing Annualized Premium

2) In case the premium(s) are un-paid and the policy is revived during the revival period by paying all due premiums, the Loyalty Additions due-but-not-allotted during the period the Policy was in Discontinuance will be added to the fund as on the date of revival.

3) Amount of Loyalty Additions will be allocated in funds in the same proportion of the Fund Value as at the date of addition.

There will not be any Loyalty Additions for Top-up premium paid. Loyalty Additions will not be paid for a Discontinued / Paid-up policy.

- You can choose one or more investment funds within the Investor selectable Portfolio Strategy.
- You have the option to switch units from one fund to another, by giving written notice to the company.
- You can switch out of this Portfolio Strategy at any policy anniversary by giving a written notice to the Company 30 days in advance.

**b) Wheel of Life Portfolio Strategy:**

- This provides you with a “Years to maturity” based portfolio management.
- You can opt for this Portfolio Strategy at the commencement of the policy or can switch to this Portfolio Strategy at any subsequent policy anniversary by giving a written notice to the Company 30 days in advance.
- If this Portfolio Strategy is opted, your Regular Premium and the top up premium, if any, would be allocated in the Funds mentioned (namely Bluechip Equity Fund, Equity Growth Fund II, Accelerator Mid-Cap Fund II, Bond Fund & Liquid Fund) in the proportion as mentioned in the table below, depending on the outstanding years to maturity.
- On each policy anniversary, we will reallocate your Fund Value among various funds in the proportion based on your outstanding years to maturity.
- The regular premium and top up premium, if any, paid in that particular policy year will also be allocated in the same proportion.
- This will ensure that a balance is maintained between your “years to maturity” and level of risk on your investments, to optimize the returns.
- The proportion of allocation/reallocation of your Regular Premium/ Fund Value into various funds based on your outstanding years to maturity will be as follows:

<table>

- You will not have the option to switch units or change the apportionment of premium to various funds, under this portfolio strategy.
**Option to Switch Between Funds** - Only under the Investor Selectable Portfolio Strategy

- You have the flexibility to switch units between your investment funds according to your risk appetite and investment decisions, by giving written notice to the Company.
- You can make unlimited free switches.
- The minimum switching amount is ₹5,000 or the value of units in the fund to be switched from, whichever is lower.
- The Company shall effect the switch by redeeming units from the fund to be switched from and allocating new units in the fund being switched to at their respective unit price.

**Premium Apportionment** – Only under the Investor Selectable Portfolio Strategy

- Under the Investor Selectable Portfolio Strategy, you can choose to invest fully in any one fund or allocate your regular premium and top up premium into the various funds in a proportion that suits your investment needs. The premium apportionment to any fund must be at least 5%.
- You may, at any time, change the proportion of regular premium and top up premium to the funds you wish to invest.
- Miscellaneous charge, as mentioned in the Table of Charges given below, will be applicable for change in premium apportionment.
- The Company will reserve the right to revise the minimum apportionment percentages upon giving written notice of not less than three months, subject to obtaining clearance from the IRDAI.
- Under the Wheel of Life Portfolio Strategy, you will not have the option to choose the proportion. The apportionment of the allocated regular premium and top up premium will be as per the Wheel of Life Portfolio Strategy table.

**Option to Change Portfolio Strategy**

- You may, at any policy anniversary, change from Investor selectable Portfolio Strategy to Wheel of Life Portfolio Strategy and vice-versa by giving a 30 day prior written notice.
- On switching out of the Wheel of Life Portfolio Strategy to the Investor Selectable Portfolio Strategy, the existing funds and the new premiums paid will be allocated in to the funds of your choice.
- On switching out of the Investor Selectable Portfolio Strategy to the Wheel of Life Portfolio Strategy, the existing funds and the new premiums paid will be allocated as per the “Years to maturity” based portfolio management mentioned above.
- Miscellaneous charge as mentioned in the Table of Charges will be applicable.

**Option to reduce the Regular Premium**

- You will have the option to reduce the prevailing Regular Premium under the Policy after the first five (5) Policy Years.
- The reduction of the Regular Premium can be up to 50% of the Regular Premium payable at the inception of the Policy.
- Once reduced, the same cannot be increased, even to the Regular Premium at inception of the Policy.
- On receipt of the reduced premium the prevailing Sum Assured under the Policy will be correspondingly reduced.
- On reduction of the prevailing Sum Assured, if the Rider(s) Sum Assured is lower than the prevailing Sum Assured, then Rider(s) Sum Assured will be revised to the level of prevailing Sum Assured, subject to minimum rider Sum Assured allowed under respective rider. Miscellaneous Charge, as mentioned in the Table of Charges given below, will be applicable for this option.
Option to Change Premium Payment Frequency

You can opt to change your prevailing regular/limited premium payment frequency at any time, to the other frequency (i.e., yearly, half yearly, quarterly or monthly) as long as the existing and requested frequencies can be aligned and subject to minimum premium under the plan on the date of receipt of such request.

The premium payment frequency factors are as given in the table:

<table>
<thead>
<tr>
<th>Mode</th>
<th>Yearly</th>
<th>Half Yearly</th>
<th>Quarterly</th>
<th>Monthly</th>
</tr>
</thead>
<tbody>
<tr>
<td>Premium Frequency Factor</td>
<td>1</td>
<td>1/2</td>
<td>1/4</td>
<td>1/12</td>
</tr>
</tbody>
</table>

Miscellaneous charge, as mentioned in the Table of Charges, will be applicable for this alteration.

Top Up Premium

- You can make lump sum investments at any time except during the last five policy years, by paying Top up premiums, over and above the regular / limited premiums payable, provided all due premiums have been paid.
- Top up premiums would be treated as a single premium
- The minimum Top up premium is ₹ 5,000
- The amount of Top up premium paid by you would determine your Top up Sum Assured on your life. The Top up Sum Assured will be 1.25 times of Top up premium paid
- At any point of time during the currency of your policy, the total Top up premiums paid shall not exceed the sum total of the regular premiums paid at that point of time
- Each Top up premium paid by you will have a lock-in period of 5 years, except in case of complete surrender of policy, and the lock-in would apply from the date of payment of each Top up premium
- The Company reserves the right to disallow a Top up premium based on the Board approved underwriting guidelines
- If “Wealth Plus Care” variant is opted by the policyholder, Top-up premiums shall be allowed to the extent that base Sum Assured plus Top-up Sum Assured does not exceed ₹ 1 Crore

Partial Withdrawal

You have the option to make partial withdrawals, any time after the fifth policy year, subject to the following conditions:
- The minimum amount of partial withdrawal at any one time is ₹ 5,000 and in case of minor life partial withdrawal can be made only after the attained age of 18 years.
- The Regular Premium Fund Value should not fall below three times of the prevailing Annualized premium after a partial withdrawal.
- Partial withdrawals will be paid by canceling the units at prevailing unit price
- All partial withdrawals will be first made from eligible Top up premium fund value, if any, on First in First out (FIFO) basis. Once the eligible Top up premium fund value is exhausted, further partial withdrawals will be made from the Regular Premium Fund Value. For the purpose of partial withdrawals, each payment of top up premium shall have a lock-in period of five years.
- The maximum amount of partial withdrawal at any one time is 10% of the total premiums paid, as on the withdrawal request date.
- A maximum of two partial withdrawals can be made in any one policy year.
- The total amount withdrawn throughout the policy term cannot exceed 50% of the total premiums paid.
- The time interval between any two partial withdrawals cannot be less than 3 months.
- A partial withdrawal shall be disallowed if it results in termination of the policy contract.
- The Company reserves the right at any time and from time to time to vary the minimum/maximum value of units to be withdrawn, maximum number of withdrawals allowed during a policy year, maximum amount of total withdrawal allowed during the policy term, minimum time gap to maintain between two withdrawals and/or the minimum balance of value of units to be maintained after such partial withdrawals, by giving written notice of three months in advance, subject to prior approval from IRDAI.
Settlement Option

Option to take Maturity Benefit in instalments -

a. You will have the option to receive your maturity benefit in instalments (payable yearly, half yearly, quarterly or monthly) spread over a maximum period of five (5) years

b. The Policy monies will continue being invested in the same Fund(s) and in the same proportion as on the Maturity date. However, you have the option to switch fund(s)

c. The first instalment will be payable on the Maturity Date

d. The amount paid out to you in each installment will be the outstanding fund value, as at that installment date divided by the number of outstanding installments

e. Installment payment will be made by redeeming units from the Funds at the unit price applicable on the installment date

f. Investment risk during the settlement period will be borne by You

g. During this period, in case of death of the Life Assured, the death benefit, which will be the higher of 105% of premium paid or outstanding fund value, will be paid as a lumpsum to the nominee and the policy will be terminated

h. Rider covers will not be available

i. No partial withdrawals are allowed during the settlement period

j. Only fund management charge and mortality charge shall be applicable during the settlement period

k. Alternatively, you will have an option to withdraw the Fund Value completely, anytime during the settlement period. The Fund Value will be calculated as the total number of outstanding units in the policy multiplied by the unit price as on date of complete withdrawal

Option to take Death Benefit in instalments -

f. Investment risk during the settlement period will be borne by the nominee

g. No risk cover or Rider covers will be available

h. No partial withdrawals are allowed during the settlement period

i. Only fund management charge shall be applicable during the settlement period

j. Alternatively, the nominee will have an option to withdraw the Fund Value completely, anytime during the settlement period. The Fund Value will be calculated as the total number of outstanding units in the policy multiplied by the unit price as on date of complete withdrawal

Tax Benefit

Premium paid, maturity benefit, death benefit and surrender benefit are eligible for tax benefits as per extant Income Tax Act, subject to the provision stated therein.

You are requested to consult your tax consultant and obtain independent advice for eligibility and before claiming any benefit under the policy.
Non-Payment of Premiums

a) On Discontinuance of regular premiums due during the first five (5) policy years, the policy will be converted immediately & automatically to a discontinued life policy (without any risk cover, any additional rider cover, Guaranteed Benefit, Loyalty Addition or Fund Booster) at the end of the grace period, and the regular premium fund value less the discontinuance/surrender charge along with top up premium fund value, if any, will be transferred to the discontinued life policy fund.

i) A notice will be sent by the company to you within three (3) months from the date of first unpaid premium, informing you of the status of the policy and requesting to revive the policy or, communicate agreeing to revive the policy within the revival period of three (3) years from the date of first unpaid premium, by paying all due regular premiums.

ii) If you have opted to revive the policy but have not revived the policy within the revival period, then immediately & automatically, the discontinuance value shall be payable as the surrender benefit at the end of lock-in period of five (5) policy years or at the end of the revival period, whichever is later.

iii) If no communication is received from you with respect to the revival of the policy, the discontinuance value shall be payable as the surrender benefit immediately & automatically at the end of lock-in period of five (5) policy years.

iv) At any time you have the option to completely withdraw from the policy without any risk cover, any additional rider cover, Guaranteed Benefit, Loyalty Addition or Fund Booster and receive the discontinuance value (as surrender benefit) at the end of the lock-in period of five (5) policy years or the date of surrender, whichever is later.

b) On Discontinuance of regular premiums due after the lock-in period of five (5) policy years, the policy will be, immediately & automatically, converted to a paid-up policy at the end of the grace period, with risk cover under the base policy to the extent of the paid-up sum assured and without any rider cover, Guaranteed Benefit, Loyalty Addition or Fund Booster. The paid-up sum assured will be the prevailing sum assured in the policy multiplied by the proportion of the number of premiums paid to the number of premiums payable in the policy. All charges as per the terms & conditions of the policy will be deducted.

i) A notice will be sent by the company to you within three (3) months from the date of first unpaid premium, informing you of the status of the policy and requesting you to exercise one of the options mentioned below.

(1) Option A: Revive the policy or, communicate agreeing to revive the policy within the revival period of three (3) years from the date of first unpaid premium, by paying all due regular premiums, OR

(2) Option B: Completely withdraw from the policy without any risk cover or any additional rider cover and receive the surrender benefit under the policy as on the date of receipt of such intimation.

ii) If you have chosen the Option A above but have not revived the policy during the revival period, or the company does not receive any communication from you, the policy shall be treated as a paid-up policy, as mentioned in section b) above. At the end of the revival period, if the policy has not been revived, the surrender benefit under the policy as at the end of the revival period will be payable to you, immediately & automatically.

iii) If you decide to surrender the policy as per Option 2 above, the surrender benefit under the policy as on the date of receipt of such intimation, will be payable to you.

c) Notwithstanding anything mentioned above, on the death of the life assured,

i) If the policy is discontinued as per sub-section a) above, the discontinuance value as on the date of receipt of intimation at the Company’s office, shall be payable as death benefit, and, then, the Policy will terminate.

ii) If the policy is discontinued as per sub-section b) above, the higher of the [paid up sum assured or regular premium fund value] plus higher of the [top-up sum assured or top-up premium fund value], if any, subject to a minimum of the Guaranteed Death Benefit, all, as on the date of receipt of intimation, shall be payable as death benefit, and, then, the Policy will terminate.
Revival

A policy which has been discontinued due to non-payment of premiums can only be revived subject to following conditions:

a. The Company receives the request for revival from you within 3 years from the date of first unpaid premium provided the policy is not terminated already.

b. You submit such information and documentation as may be requested by the Company at your own expense.

c. The policy may be revived on the original policy terms & conditions, revised terms & conditions or disallowed revival, based on Board approved underwriting guidelines.

d. On revival of the discontinued policy,
   • The policy will be revived restoring the risk cover, Loyalty Addition and Fund Booster.
   • All the due but unpaid premiums will be collected from you without charging any interest or fee.
   • The Discontinuance Value of the policy together with the amount of discontinuance/ surrender charge (without any interest) as deducted by the Company on the date of discontinuance of the policy, shall be restored to the chosen fund split into to the applicable Fund/s available as on the date of discontinuance, at their prevailing unit price.
   • The Premium Allocation Charge and Policy Administration Charge, as applicable, during the discontinuance period shall be deducted as applicable from regular premiums paid or from the fund at the time of revival.
   • The Loyalty Additions due-but-not-allotted during the period the Policy was in Discontinuance shall be added to the Regular Premium Fund Value.

Computation of Unit Price

The Unit Price of the fund shall be computed as the market value of the existing investment held in the fund plus value of current assets less value of current liabilities and provisions, if any, divided by the number of units existing on the valuation date. This calculation will be done before creation/redemption of units.

Force Ma’jure

a) The Company shall value the Funds (SFIN) on each day for which the financial markets are open. However, the Company may value the SFIN less frequently in extreme circumstances external to the Company i.e. in force majeure events, where the value of the assets is too uncertain. In such circumstances, the Company may defer the valuation of assets for up to 30 days until the Company is certain that the valuation of SFIN can be resumed.

b) The Company shall inform IRDAI of such deferment in the valuation of assets. During the continuance of the force majeure events, all request for servicing the Policy including Policy related payment shall be kept in abeyance.

c) The Company shall continue to invest as per the fund mandates. However, the Company shall reserve its right to change the exposure of all or any part of the Fund to Money Market Instruments [as defined under Regulations 2(j) of IRDAI (Investment) Regulations, 2016] in circumstances mentioned under points (a and b) above. The exposure to of the fund as per the fund mandates shall be reinstated within reasonable timelines once the force majeure situation ends.

d) Some examples of such circumstances [in Sub-Section a) & Sub-Section b) above] are:

i) When one or more stock exchanges which provide a basis for valuation of the assets of the Fund are closed otherwise than for ordinary holidays.

ii) When, as a result of political, economic, monetary or any circumstances out of the control of the Company, the disposal of the assets of the Fund are not reasonable or would not reasonably be practicable without being detrimental to the interests of the continuing Policyholders.

iii) In the event of natural calamities, strikes, war, civil unrest, riots and bandhs.

iv) In the event of any force majeure or disaster that affects the normal functioning of the Company.

In such an event, an intimation of such force majeure event shall be uploaded on the Company's website for information.

The Company shall give a notice of 3 months for any change in charges. In case you do not agree with the modified charges you will be allowed to surrender the policy at the then prevailing unit value. Discontinuance/ Surrender charge will be applicable if you surrender during the lock-in period, otherwise, not.

Termination

This policy (and the risk cover, in cases specifically mentioned) shall terminate on the earlier occurrence of either of the following events:

- on payment of discontinuance value
- the Fund Value is lower than the sum of applicable charges
- the units in the policy are fully surrendered and Surrender Value has been paid
- on the date of intimation of death of the life assured (unless the settlement option has been opted for) under the “Wealth Plus” variant
- on the date of intimation of death of the life assured (unless the settlement option has been opted for) or on first diagnosis of Cancer of the life assured under the “Wealth Plus care” variant, if Income Benefit is not triggered
- on payment of the last instalment of Income Benefit under the "Wealth Plus Care" variant. However, all risk covers under the policy will terminate once the Income Benefit is triggered
- on expiry, unless settlement option has been opted
- on expiry of the period of settlement option, if opted
- on free look cancellation
Grace Period

A grace period of 30 days for yearly premium payment frequency and 15 days is available for monthly premium payment frequency from the due date of Regular Premium payment, without any late fee, during which time the Policy is considered to be in-force with the risk cover without any interruption as per the Policy terms and conditions.

Free Look Period

Within fifteen (15) days of the receipt of this Policy and thirty (30) days in case of electronic Policy and Policy obtained through distance mode, you may, if dissatisfied with any of the terms and conditions for any reason, provided no claim has already been made on the Policy, give the Company a written notice of cancellation along with reasons for the same, and return the Policy Document to the Company, subject to which the Company shall send you a refund comprising the Premium Allocation Charge plus Charges levied by cancellation of Units plus Regular Premium Fund Value as at the date of cancellation of Units less the proportionate risk premium for the period the Life Assured was on cover, expenses incurred on medical examination and stamp duty charges.

Suicide Claim Provision

In case of death of the life assured due to suicide within 12 months from the date of commencement of the policy or from the date of revival of the policy, whichever is later, the nominee or beneficiary of the policyholder shall be entitled to fund value, as available on the date of intimation of death. Any charges other than FMC or guarantee charge recovered subsequent to the date of death shall be added to the fund value as at the date of intimation of death.
